ROLE PLAYER INFORMATION:

Subject 1: You are stopped for a minor traffic violation. You missed traffic court earlier in the day and you think you may have a warrant. You are mildly uncooperative. You do not look at the Student while answering questions. You ask the Student if he is going to "run" you, and you look around for an escape route. When the Student returns to the patrol vehicle and is involved in checking your information through NCIC, you get out of the vehicle and run. When you are caught, you resist arrest. Your resistance is based on the level of control exhibited by the Student.
